Website Links

Health Ministries Association, Inc.

A membership organization dedicated to networking, educating, supporting and sharing a myriad of faith/health ministries.

Health-E-AME

This website of the 7th Episcopal District of African Methodist Episcopal Church provides useful information for health ministry activities.

American Heart Association

- **GO RED FOR WOMEN**
Educates women about heart disease.
- **CHOOSE TO MOVE**
A 12 – week program that shows women simple practical ways to add more physical activity to their existing routine.
- **DELICIOUS DECISIONS**
This website offers information about nutrition, eating out, shopping and weight management. It also provides heart-healthy recipes from AHA cookbooks.
- **PHYSICAL ACTIVITY**
This website offers information about physical activity for men and women. Some of the features include health facts, practical tips, fitness news, a personal trainer, user forums and even calendars.

South Carolina African American Tobacco Control Network

This website provides a variety of tools to use in the African American communities for tobacco control.

A Guide to Quit Smoking

This website provides an online guide to quit smoking, with topics on, understanding why you smoke and what to expect when you smoke and the benefits of quitting.

America on the Move: Steps to a healthier way of life

Provides a reliable source of information on how to improve health and quality of life by promoting healthful eating and active living among individuals, families, communities and society. American on the Move offers free personalized online resources, interactive tools, community support, and fun events.

Healthy South Carolina Challenge

Provides brief healthy tips designed to encourage individuals and communities to live healthier lifestyles in three categories - physical Activity, nutrition and help to quit smoking.

5-A-Day

Find out about making colorful eating a daily habit.

Palmetto Health

A non-profitable organization, and #1 in the delivery of health care services in South Carolina, Palmetto Health provides the local community with more low or no cost service than any hospital in town.

South Carolina Primary Health Care Association

As an advocate for those who do not have access to basic health services, the Association works to ensure the continued growth of community based programs, services and systems of care that provide care for all South Carolinians.

Palmetto Project

A private, non-profit organization that shares a vision for the community and state by bringing together citizens, corporations and governmental agencies to find good and creative ideas and put them to work statewide.
